FOOD NUTRITION & DIETARY GUIDE:

Items marked with an asterisk (*) may be served raw or undercooked or contain raw or undercooked ingredients. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness, especially if you have certain medical conditions. Please let your catering specialist if you have any food allergies and dietary restrictions. We can special prepare dishes to fit those needs.

Due to the impact of many distributors, Picasso's Catering menu offerings are subject to change. This is based on product availability and supplier deliveries. Buffet and serviced events are subject to change, to follow the state of Michigan and CDC guidelines. Please contact us if you have any questions.

FREQUENTLY ASKED QUESTIONS

[Click Here to view MHealthy Catering Program](#)

To help you make more informed food choices, MHealthy and its partners created a labeling system, identified by a colorful five-sliced citrus circle. The more slices filled in, the more nutrient dense the food!

What if my guest count goes up or down?

When planning an event, it is best to start with the minimum number of guests you are expecting and raise your count as final RSVP's come in. We ask that your count be finalized at least one week before your event.

If I need more than just catering, can you help me with that?

PRG is willing and able to assist with all of your event needs. From flowers to specialty linens to Chiavari chair rentals, we can help you find exactly what you are looking for.

When planning an event, it is best to start with the minimum number of guests you are expecting and raise your count as final RSVP's come in?

We can create a specific menu, or items within your menu, to accommodate those special restrictions. Please submit this information with your original request.

Does my catering come with disposable ware? (i.e. plates, silverware, napkins etc...)

Yes, all packages include standard disposable ware. If you would like, you can upgrade to premium ware.

What if one (or more) of my guests have certain dietary restrictions or allergies?

We can create a specific menu, or items within your menu, to accommodate those special restrictions. Please submit this information with your original request.

What are our same day order restrictions?

We try our best to accommodate same day orders. Please keep in mind, because of the short notice, we cannot guarantee the delivery/pickup time or the product you request will be available. Additional fees may apply.

What happens if there is food left over?

For your safety, food that is heated or cooled and is out over 4 hours, must be discarded. Food held at room temperature must be discarded after 2 hours. We ask that you talk to one of our food professionals first to ensure the food is safe before packing up to go.

Why do I have to meet the minimum order requirements in order to have my meal delivered?

Although we would love to be able to service everyone's needs (no matter how small the order), this is just not logistically possible. It would be very difficult for us to not only staff the amount of persons it would take to make this possible, but it would also be very difficult to make these practices profitable.

The menu states: "15-person minimum applies on all per person packages. For orders fewer than 15 persons, additional charges will apply." How are the additional charges determined?

If you are unable to meet the minimum order requirement, additional charges will be determined as follows: customers will be charged 50% of the per person price for each person under the minimum.

Example: the sunshine package is \$10.95 per person. An order is placed for 22 people. The customer would be charged 50% of \$10.95 (\$5.47) x 3 persons (the number of person below the required amount) for a total of \$16.41. \$257.31?

There is a meal that I really wanted, but I don't see it on your catering menu. Can I still order it?

Of course! There are thousands of food offerings that our trained team of culinary experts can prepare for you. We just didn't have the time (or the room) to list them all. Please feel free to contact us or stop in, and we will be happy to sit down and customize any menu specifically for you and your guests.

What if I have a last minute order?

We will try to accommodate all last minute requests. However if your requests is made after our standard 3 day cutoff, additional late order charges may apply.
