FREQUENTLY ASKED QUESTIONS

WHAT HAPPENS IF THERE IS FOOD LEFT OVER?

For your safety, food that is heated or cooled and is out over 4 hours, must be discarded. Food held at room temperature must be discarded after 2 hours. We ask that you talk to one of our food professionals first to ensure the food is safe before packing up to go.

WHAT IF I HAVE A LAST MINUTE ORDER?

We will try to accommodate all last minute requests. However if your requests is made after our standard 3 day cutoff, additional late order charges may apply.

WHY DO I HAVE TO MEET THE MINIMUM ORDER REQUIREMENTS IN ORDER TO HAVE MY MEAL DELIVERED?

Although we would love to be able to service everyone's needs (no matter how small the order), this is just not logistically possible.

THERE IS A MEAL THAT I REALLY WANTED, BUT I DON'T SEE IT ON YOUR CATERING MENU. CAN I STILL ORDER IT?

Of course!! There are thousands of food offerings that our trained team of culinary experts can prepare for you.

WHAT IF ONE (OR MORE) OF MY GUESTS HAVE CERTAIN DIETARY RESTRICTIONS OR ALLERGIES?

We can create a specific menu, or items within your menu, to accommodate those special restrictions. Please submit this information with your original request.

DOES MY CATERING COME WITH DISPOSABLE WARE?

Yes, all packages include standard disposable ware. If you would like, you can upgrade to premium ware.
